# Xerox® WorkCentre® 5945/5955 Multifunction Printer

Office productivity simplified.

**The true value of your office technology investment isn't always in plain sight.** It's what it does in the background to help you be more productive and work the way you want. The Xerox® WorkCentre® 5945/5955 gives you that power, improving day to day capabilities and helping you work more nimbly, cost effectively and securely – so you can focus on what matters most to your business.

## Productivity that will surprise you.

**It's not just about getting work done.** It's about being productive, flexible and reliable on a consistent basis. The Xerox® WorkCentre® 5945/5955 gives you the ability to do just that with a powerful mix of features and capabilities that help you go above and beyond your expectations in the workplace – today and every day.

- **Always up to speed.** The WorkCentre 5945/5955 helps you turn out great work at an impressive copy and print rate of 45 to 55 ppm.
- **Scanning at up to 200 images per minute (duplex speed).** Single-pass colour scanning enables faster electronic distribution of full-colour documents for more effective and impressive communications.
- **Scanning customised to your workflow.** Create a dedicated, easy to use scan button on your device's colour touchscreen interface using the Single Touch Scan feature. Each Single Touch Scan button you create can be assigned its own scanning workflow for fast document distribution and archiving.
- **Print more, longer.** A 4,700 sheet paper capacity means longer runs with fewer interruptions. Plus, multiple finishing options give you added flexibility for both simple and complex jobs.
- **Exceptional print and copy quality.** Experience true 1200 x 1200 dpi using the latest Xerox® Emulsion Aggregation (EA) Toner.
- **Walk-up simplicity.** Print from and scan to any USB memory device for faster document delivery when you're not at your computer.
- **Customise your solutions.** Xerox Extensible Interface Platform® Serverless technology allows creation of applications to run on Xerox® devices built on Xerox® ConnectKey® Technology without the need for additional IT infrastructure. This allows you to simplify and personalise the usability of your device with a range of capabilities from support applications to scanning.

### Effortless Maintenance

The Xerox® WorkCentre 5945/5955 was designed with ease of use in mind. Routine maintenance is streamlined by the completely accessible paper path. No need to call for technology support.

All printers have components that eventually wear out. Simple slide-in, slide-out replacement keeps you up and running. And as a result of advanced technology, there are fewer consumables in the end.

## Simplicity never looked easier.

**Turn complexity into a higher level of simplicity.** The Xerox® WorkCentre® 5945/5955 gives you the right tools – so you can focus on work that really matters.

### Conservation Built-in

Get a powerful multifunction printer that includes environmental features.

- Power save with quick start-up conserves electricity during downtime while keeping the device ready for action.
- Full compliance with the EU Restriction of Hazardous Substances (RoHS) Directive, Environmental Choice and “meets or exceeds ENERGY STAR® v2.0.”
- Multiple print settings are available to reduce impact on the environment. Options include default two-sided printing, proof print, printing on recycled paper and draft mode.
- Our innovative Earth Smart print driver settings enable the most environmentally conscious print options.

- **Intuitive, easy to use colour touch screen.** Control your workflow with ease right from your home screen interface using the bright intuitive icons and functions Xerox® devices are known for.
- **Less user intervention means less downtime.** Our new, more efficient toner lasts longer and can be replaced quickly by any user and provides superior image quality.
- **Helpful walk-up features.** Embedded help videos provide quick troubleshooting assistance right on the front panel.
- **Install, upgrade and manage devices from a single print driver.** Xerox® Global Print Driver® provides a consistent, easy to use interface that allows IT administrators to monitor and manage Xerox® and non-Xerox devices while reducing support calls and simplifying print services management.
- **Simplify everyday office tasks with advanced copy and print features.** Enjoy plenty of support for specialised print applications including Annotation, Bates Stamping, ID Card Copy and page level programming.
- **User comfort and consistency.** As the Xerox® WorkCentre 5945/5955 uses the same controller technology as our other current multifunction printers, it delivers a consistency and comfort level users look for and appreciate. For more information about our groundbreaking Xerox® ConnectKey® Technology, visit [www.connectkey.com](http://www.connectkey.com).

## Work more securely than ever before.

**Feel safe. Be confident.** The Xerox® WorkCentre® 5945/5955 boasts the most complete range of advanced security features and technology from security industry leaders, ensuring comprehensive, 24/7 protection of your most sensitive data.

- **Protect your confidential information.** Safeguard all sensitive data with encrypted PDF files for scanning; hard drive encryption, compliant with the 256-bit AES FIPS 140-2 standard; and Image Overwrite with a 3-pass scrub process to ensure total deletion of all data fragments.
- **Prevent unauthorised access.** Prevent unauthorised access to the device by using network authentication with or without convenience authentication via Magstripe, proximity and Smart card (CAC/PIV/.Net) readers, Xerox® user permissions role-based and function-level login and IP Filtering.
- **Proactive threat management.** Monitors new vulnerabilities and provides patches when necessary, ensuring your equipment stays current and your data is kept safe. Plus, you can receive up-to-the-minute updates via RSS feeds and stay informed via [www.xerox.com/security](http://www.xerox.com/security).
- **Stay compliant with regulations.** WorkCentre 5945/5955 devices comply with the latest security standards across industries, including government, finance and healthcare. These include Common Criteria (undergoing evaluation), HIPAA, Data Protection Act, COBIT and more. These devices can conform to any standard, with controls available to match your needs.
- **Gain complete visibility.** Prevent IP theft and ensure non-repudiation by having total visibility into the device and network. With security policy management and tracking of all activity on the device with Audit Log, you know who accessed what and when.

### Powerful Partnerships

The WorkCentre 5945/5955 includes McAfee® technology integration, resulting in the industry's first line-up of multifunction printers that protect themselves from potential outside threats. McAfee's whitelisting technology ensures only safe, pre-approved files run on your devices, minimising the need to manually update software levels against new security threats. Also, seamless integration with the Xerox® Managed Print Services toolset and McAfee ePolicy (ePO) allows for easy tracking and monitoring.

Plus, automatic Cisco® TrustSec Identity Services Engine (ISE) integration provides comprehensive visibility of all ConnectKey® enabled multifunction printers' endpoints to enforce IT-centric security policies and compliance.

## Be ready, wherever business takes you.

**In today's workplace, you need access to your technology anywhere, anytime.** Our mobile solutions empower today's professionals with the freedom and flexibility to get work done in the office – and on the go.

### Keep pace with your business – wherever it takes you.

- **Be free with optional Wi-Fi connectivity.** Keep workers connected to devices anywhere, without the need for hard-wire cabling and connections.
- **Apple® AirPrint.** Print email, photos and important office documents directly from your Apple iPhone® or iPad® with no drivers to install and no cables to connect. With AirPrint, your iPhone or iPad automatically locates and connects to the AirPrint-enabled WorkCentre 5945/5955 over your office Wi-Fi network.
- **Xerox® Mobile Print and more.** Xerox has all the options to enable secure, accurate printing from most mobile devices to any printer or multifunction printer, regardless of brand. Plus, Xerox offers IT-friendly optional capabilities such as PIN code access and multiple mobile operating systems. For more information, visit [www.xerox.com/mobile](http://www.xerox.com/mobile).

- **Remote Monitoring and Management.** The Remote Control Panel feature lets you operate the WorkCentre 5945/5955's user interface from any office workstation as though you were standing at the device. Remotely train users and configure device settings with the peace of mind that integrated security allows only a single authorised operation at a time to prevent multiple remote procedures.
- **Mopria™ certified.** Mopria certification simplifies the mobile printing experience for tablets and smartphones to many printing devices, including the WorkCentre 5945/5955.

### Extend Your Possibilities

Whether scanning and managing documents on your office network or a hosted cloud on the Internet, you can access scan workflow solutions right from any WorkCentre 5945/5955 thanks to the power of Xerox® Workflow Solutions\*, built on our Xerox Extensible Interface Platform®.

- **Xerox® ConnectKey® for SharePoint® or Xerox® ConnectKey® for DocuShare®.** Scan files directly into Microsoft® SharePoint or Xerox® DocuShare® and other Windows® folders. Plus, you'll go beyond basic file storage and PDF creation by automatically converting documents to intelligent, structured data with easy file naming and routing tools.
- **Xerox® ConnectKey® Share to Cloud.** Provides easy, secure, scalable scanning to popular cloud-based repositories such as Google Docs™, Salesforce.com, Office 365 and Dropbox™, using custom designed workflows that leverage our Xerox Extensible Interface Platform technology.
